FROM: Daniel H. Heyns, Director

SUBJECT: Detroit Detention Center

SUPERSEDES DOM 2013-34 (effective 10/01/13)

The Department has entered into an interagency agreement with the Detroit Police Department/City of Detroit to house persons 17 years of age or older who have been arrested by the Detroit Police Department and/or the Michigan State Police but not yet arraigned. The pre-arraigned detainees are held for no more than 72 hours at the former Mound Correctional Facility, which has been repurposed as the Detroit Detention Center. (CMIS code - DDC.) The Detroit Detention Center is managed by Correctional Facilities Administration (CFA) employing Department staff. DDC and the Detroit Reentry Center operate under the administration of a single Warden with separate Deputy Wardens for each facility. The former Administration Building is used by the Detroit Police Department to conduct suspect interviews, line-ups, and other detective duties.

The Detroit Detention Center operates under the terms and conditions of the Agreement. Department policies that apply to prisoners do not apply to detainees at the Detroit Detention Center. However, Department policies which govern personnel matters, custody and security measures, use of force, physical plant requirements, and other non-prisoner related matters apply unless specifically exempted by the CFA Deputy Director or designee.
